RE: Eduardo & Norberto Morales
A29-250-085 & A29-250-086

Dear Mr. Ilchert:

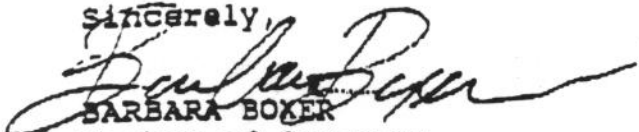

I am writing to request that you use your discretionary powers and agree to grant extended voluntary departure to Eduardo and Norberto Morales, children of Eduardo and Ester Morales, lawful temporary residents (A90 544 105 & A92 365 663).

It is my understanding that at a deportation hearing conducted November 20, 1989, the Immigration Judge granted Eduardo (6 year-old) and Norberto (3 year-old) a 6-months voluntary departure which will expire May 20, 1990.

Eduardo and Norberto cannot be sent back to Mexico. The only relative in Mexico is Mrs. Morales' mother, who is elderly, lives along in a remote area and is in poor health. She cannot take care of the children. One of the reasons the children were brought to the United States is because Norberto suffered a terrible fall last time the children were under their grandmother's care. For the safety and well-being of the children and due to the humanitarian nature of their case, I urge you to exercise the power of your discretion and grant extended voluntary departure and/or place the children in deferred action status. I am also contacting the Judiciary Committee, Subcommittee on Immigration to determine the possibilities of introducing private legislation on behalf of Eduardo and Norberto Morales.

Thank you for your attention to this request and I look forward to your favorable decision in this matter.

Sincerely,

BARBARA BOXER
Member of Congress
